Section -6
SPECIFICATIONS

SPECIFICATIONS

A set of precise and clear specification is a pre-requisite for bidders to respond realistically and competently to the requirements of the Employer without qualifying or conditioning their bids. The specifications must be drafted to permit the widest possible competition and, at the same time, present a clear statement of the requited stranded of workmanship, materials, and performance of the goods and services to be procured. Only if this is done will the objectives of economy, efficiency, and fairness in procurement be realized, responsiveness of bids be ensured, and the subsequent task of bid evaluation facilitated. The specifications should require that all goods and materials to be in cooperated in the works be new, unused, of the most recent or current models, and in cooperate all recent improvements in design and materials unless provided otherwise in the contract.

For drafting specifications, the Employees are advice to use the following standard specification publish by Construction Industry Development Authority (CIDA)
